

“Roving Sundays”

(The opportunity to invite some Cranmog Members to one of your favourite Pubs)

Here's the opportunity to get out and about in your Morgan in order to provide more opportunities to meet up with current and new Cranmog friends.

You are invited to identify a Pub that can offer a tasty Sunday Lunch and invite Cranmog members along to join you on a specific date.

If this idea appeals to you then please consider the following three questions:-

- ? Do you have first-hand experience of the pub or hotel which offers a decent Sunday Lunch Menu?
- ? Is there on-site parking pub, or is space available in nearby streets?
- ? Is it located within reasonable travelling distance for some UK Cranmog Members?

If you can answer 'yes' to each of the above then please consider being a **Roving Sunday Event Organiser** either on a one-off or regular basis.

FYI: -

- “Roving Sundays” have been successfully held at a wide selection of venues over the past few years so please consider adding to this success by organising a future event.
- Organisers will be asked to co-ordinate total numbers wishing to attend their Roving Sunday with the Pub + any other requirements set by the pub, e.g. pre-booking of main courses.
- Organisers will not normally be expected to manage any money transactions as experience has shown it is more straight forward to agree with the Pub that couples / individuals will make payment at the end of the meal.
